SELECTMEN'S OFFICE
Henniker, New Hampshire

Dear Henniker Residents,

Due to the increasing costs in the field of printing, we have found it necessary to condense some of the reports following. We hope that you will understand that this was done in the interest of saving some of your tax dollars.

Should you desire complete listings of any of the financial information which has been condensed, please do not hesitate to call at our office any weekday between the hours of 8:00 a.m. and 3:30 p.m., our secretary will be glad to make copies of this information for you.

Sincerely,

John J. Durr
Victor H. Kjellman
James K. Crane
Board of Selectmen

TOWN WARRANT 1975
THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Henniker in the County of Merrimack in said State qualified to vote in Town Affairs: (L.S.)

You are hereby notified to meet at Cogswell High School Auditorium in said Henniker on Tuesday the Fourth day of March, next, at twelve of the clock noon to act upon the following:

1. To choose all necessary Town Officers for the ensuing year.

The Polls will be Open from 12:00 noon to 7:00 P.M.

As voted at Town Meeting March 7, 1972, You are hereby notified to meet at Cogswell High School Auditorium in said Henniker on Tuesday the Eleventh day of March, next, at eight of the clock in the evening to act upon the following:

2. To hear and act upon the report of Town Officers, Library Trustees, Trustees of Trust Funds, and other Committees.
3. To raise and appropriate such sums of money as may be necessary to defray Town Charges for the ensuing year.
4. To see if the Town will vote to increase the exemption to New England College upon dormitories, dining rooms and kitchens from \$150,000 to \$1,000,000 as authorized by RSA 72:23 IV for one year. (By Petition)
5. To see what sum of money the Town will vote to raise and appropriate for the repair of highways and bridges and repair or purchase of machinery.
6. To see what sum of money the Town will vote to raise and appropriate for maintenance of the Police Department.
7. To see what sum of money the Town will raise to replace the Police Cruiser.
8. To see what sum of money the Town will vote to raise and appropriate for maintenance of the Fire Department.
9. To see what sum of money the Town will vote to raise and appropriate for the support of Tucker Free Library.
10. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

11. To see if the Town will authorize the Selectmen to take such action as will protect the best interest of the Town with regard to Flood Plain Insurance.

12. To see what sum of money the Town will vote to raise and appropriate for State Aid Construction of Class V Roads.

13. To see if the Town will authorize the Selectmen to borrow a sum of money not to exceed \$42,000.00 by Long Term Notes to purchase Compaction Equipment for the new Sanitary Landfill.

14. To see what sum of money the Town will vote to raise and appropriate for the support of Concord Hospital.

15. To see what sum of money the Town will vote to raise and appropriate for the District Court.

16. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 for the support of the Henniker Youth Services.

17. To see if the Town will vote to raise and appropriate the sum of \$500.00 for the Bi-Centennial Committee.

18. To see if the Town will vote to raise and appropriate the sum of \$684.00 for the support of the Community Action Program.

19. To see if the Town will vote to raise and appropriate the sum of \$30,000.00 to come from Revenue Sharing Funds to complete the renovations of the Old Town Hall.

20. To see if the Town will vote to direct the Selectmen to give priority to local vendors in service or products for the Town, to the extent said vendor offers comparable and competitive products, prices, or services, or take any action in relation thereto. (By Petition)

21. To see if the Town will consent to the use of the grounds adjacent to the Henniker Community Center, not including the ball park, for park and play area purposes. (By Petition)

22. To see if the Town will designate the Old Town Hall as an Historic Building and the area bounded by Circle Street and Route 114 an Historic District.

23. To see what action the Town will take, if any, with regard to the Rural Highway Public Transportation Demonstration Program.

24. To see if the Town will vote to authorize the Selectmen to apply for, accept and expend on behalf of the town any grants or other funds available for Town purposes, including but not limited to disaster aid and highway funds which may now or hereafter be available from the United States government, the State of New Hampshire or any federal, state or private agency or individual or take any other action in relation thereto.

25. To see if the Town will authorize the Director of Recreation to expand Town recreation facilities.

26. To transact any other business that may properly come before this meeting.

Given under our hands and seal this Fourth day of February, in the year of our Lord nineteen hundred and seventy five.

- Article 5. **Voted**, that the Town raise and appropriate the sum of \$77,015.94 (Seventy-seven thousand fifteen dollars and ninety-four cents) for the repair of highways and bridges, and repair or purchase of machinery. That \$23,015.94 (Twenty-three thousand fifteen dollars and ninety-four cents) come from the Highway Subsidy Fund.
- Article 6. **Voted**, that the Town raise and appropriate the sum of \$43,200 (Forty-three thousand two hundred dollars) for the maintenance of the Police Department.
- Article 7. **Voted**, that the Town raise and appropriate the sum of \$3,410 (Three thousand four hundred ten dollars) for the purchase of a police cruiser, \$1,500 (Fifteen hundred dollars) and accrued interest to be taken from the police cruiser fund, and that the Selectmen be authorized to sell the old cruiser at private sale.
- Article 8. **Voted**, that the Town raise and appropriate the sum of nine thousand dollars (\$9,000.00) for the maintenance of the Fire Department.
- Article 9. **Voted**, that the Town raise and appropriate the sum of fifteen hundred dollars, (\$1,500.00) for the support of the Tucker Free Library for the ensuing year.
- Article 10. **Voted**, that the Selectmen be authorized to borrow money in anticipation of taxes.
- Article 11. **Voted**, that the Town raise and appropriate the sum of Fourteen hundred eighty-four dollars and thirty-four cents (\$1,484.34) for State Aid Construction of Class V roads.
- Article 12. **Voted**, that the Town raise and appropriate the sum of Four hundred twenty-nine dollars (\$429.00) for the support of Concord Hospital.
- Article 13. **Voted**, that the Town raise and appropriate the sum of Eight thousand one hundred forty dollars (\$8,140.00) for the support support of the District Court.
- Article 14. **Voted**, that the Town raise and appropriate the sum of Two

thousand dollars (\$2,000.00) for the support of the Henniker Community Center.

Article 15. **Voted**, that the Town raise and appropriate the sum of \$5,000.00 (Five thousand dollars) for the support of Henniker Youth Services and authorize the application for and expenditure of grants and other contributions in connection with Henniker Youth Services activities.

Article 16. **Voted**, that the Town raise and appropriate the sum of \$13,500.00 (Thirteen thousand five hundred dollars) for the purchase of a new ambulance for the Henniker Rescue Squad. Said amount to be reimbursed in part by the Highway Safety Project Grant No. 311-74A-006 in the amount of \$6,742.75 (Six thousand seven hundred forty-two and seventy-five cents) and such other reimbursements as may become available.

Article 17. **Voted**, that the Town raise and appropriate the sum of Ten thousand dollars (\$10,000.00) for repairs of the Town Hall (Community Center).

Article 18. **Voted**, that the Town raise and appropriate the sum of Two thousand dollars (\$2,000.00) for the support of the Community Action Program.

Article 19. **Voted**, that the Town authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budgeted appropriations for the following priority purposes and amounts indicated:

Fire Department	\$ 5,000.00
Town Hall Repairs	<u>10,000.00</u>
	\$15,000.00

Article 20. **Voted**, that the Town increase the exemption to New England College upon dormitories, dining rooms and kitchens from \$150,000.00 (One hundred fifty thousand dollars) to \$1,000,000.00 (One million dollars) as authorized by RSA 72:23, IV.

Article 21. **Voted**, that the Selectmen be authorized to exchange by deed property in connection with the relocation of Bear Hill Road provided that the Town is reimbursed \$1,500.00 (Fifteen hundred dollars) for expenses.

Article 22. **Voted**, that the Selectmen be authorized to apply for, accept and expend on behalf of the Town any grants or other funds available for Town purposes, including but not limited to

disaster aid and highway funds which may now or hereafter be available from the U. S. Government the State of New Hampshire or any federal, state or private agency or individual or take any other action in relation thereto.

- Article 23. **Voted**, that the Town Ordinance Regulating Trailer and Mobile Home Parks be amended by the deletion of the second and third sentence of Section 5 of said ordinance and the insertion in their place of the following sentence:

“Trailer lot size shall conform to those standards applicable to house lots as set forth in the Henniker Subdivision Regulations.”

- Article 24. **Voted**, that the Town accept the gift of the Rescue Squad lot from Merle Patenaude.

- Article 25. **Voted**, that the Town adopt the provisions of RSA 31:105 and indemnify and save harmless any employee or agent of the Town from personal financial loss and expense arising out of any claim for damage while said employee or agent is acting in the scope of his employment or office.

- Article 26. **Voted**, that the Town approve the inclusion of its full-time officers and employees in the New Hampshire Retirement System of the State of New Hampshire which system is provided for by RSA 100-A (supp) for the employees of the Town of Henniker in accordance with Chapter 134 to be effective January 1, 1975.

- Article 27. **Voted**, that the Town adopt the current National Fire Protection Association's Life Safety Code 101.

- Article 28. **Voted**, that the Selectmen be authorized to accept a street to be known as Goss Drive if the street meets Town Specifications within one year of the 1974 Town Meeting.

HEALTH OFFICER'S REPORT

Henniker, New Hampshire

December 31, 1974

To the Honorable Board of
Selectmen of the Town of
Henniker, N. H. and to the
Residents of Same:

Dear Sirs:

Recorded sicknesses or diseases were confined to the customary childhood types, with colds, viruses and flu being prevalent during the seasons for such to be commonplace.

The New Hampshire Water Supply and Pollution Control Commission's Laboratories, Division of Drinking Water Analysis, Hazen Drive, Concord, New Hampshire, conducted numerous tests of the Cogswell Spring Water Works during the year and all were found to be exceedingly satisfactory.

Water Samples were taken in the months of May, June, July, and August from four (4) most widely used bathing areas (French's, Keyser, Upper and Pleasant Ponds) and were tested by the above mentioned State laboratories for a precise coliform bacterial count, most usually caused by ground surface run off from rains. The results were excellent as all recorded tests were found to contain less than the State's recommended allowable limit.

There were no alledged complaints submitted in writing by individuals relative to suspected health hazards. However, each verbal complaint received was investigated and if found to be dangerous to the public health and in turn needed correcting, as set forth by statutory requirements, was examined within the authorization of the statutes and action taken thereto. There are two complaints still under investigation pending further information.

Several public gathering places, eating establishments and other buildings open to the public were inspected. A few were requested to make corrections. Then re-inspections were conducted and all were found to be satisfactory.

Respectfully submitted,
GEORGE M. PARMENTER
Health Officer

HENNIKER YOUTH SERVICES

During our third consecutive year Henniker Youth Services (H.Y.S.) maintained a high standard of educational and recreational programs for the youth and townspeople of Henniker. Over the past year participation in H. Y. S. programs has been increasingly enthusiastic and enrollment has increased in almost all programs. The following is a brief summary of ongoing programs followed by 1973 enrollment and then 1974 enrollment or attendance in parenthesis. If only one number is in parenthesis (it represents the enrollment or attendance for 1974 in that particular program) it is because we have no record of enrollment for 1973 or the event did not take place in 1973.

Weekly lessons in Elementary to Advanced *Piano Instruction* (10 - 15); weekly *Art Class* in clay work, quilt making (displayed at the Tucker Free Library), baking, dried flower arrangements and bead making (8 - 18); *Sewing Class*, teaching students the art of dressmaking, embroidery and patchwork (8 - 5); *Field Trips*: Goose Neck Beach, Maine, Boston Flower Show, Museum of Science, Boston Red Sox Games, Copper Canon Camp, Canobie Lake Park, Henniker Campout, Boston Children's Museum, New England Aquarium, Ice Follies, Museum of Fine Arts, U. N. H., Harlem Globetrotters; bi-weekly *Children's Film Festival*, November to April (40 - 48); *Neighborhood Youth Corp* (N. Y. C.) in conjunction with the Community Action Program, local youth are employed on community projects and paid by funds from the Community Action Program. This past summer and fall the youth worked daily on a *Mini Town Beautification Project* sweeping streets, cleaning roadsides and maintaining the hanging flower pots in the downtown area. During the winter months the N. Y. C. Youth do odd jobs and help maintain the ice rink (4 - 4); *Ice Skating*, H. Y. S. Maintains an ice rink behind the Henniker High School. Due to the rough terrain it could not be made bigger this year. However, it is adequate for the elementary school children (30). *Spring Softball*, held for all Henniker Residents at the Henniker Community Center Field Sunday afternoons during May and June (18); *Annual Special Events* Santa Claus at the New England College Shop (30 - 78); Christmas Tree lighting ceremony (60 - 70), Halloween carnival and fun house (80 - 105); Plymouth State College Percussion Ensemble at Henniker High School (90); *Theater Workshops, Music and Art Instruction in Henniker High School* coordinated with Mr. John Blair (23); Diner Theater (83 - 106), Y.M.C.A. *Winter Swimming* (20 - 20). the presentation and touring of a major Broadway Musical (26 - 43). *Spring Fair*, Square Dance, Outdoor Concert, Softball and Bar-B-Q (175 - 200); *Ice Fishing* (15); *Embroidery Class* (5), *Cooking Class* (6), *Henniker Youth Services - Henniker High School Safety Patrol Program* (3), *Snow Shoeing* (6), *Pen-Pal Program* (15), *Girl's Elementary School Basketball* (15).

Our budget request is the same as last year, (\$5,000.00), which is only 25% of our annual budget and the cornerstone of our continuation. We thank

all of the volunteers who have helped to make all of the above programs possible. We look forward to our fourth year of service to the Community. Because of the Town's desire to keep printing expenses down a detailed report of other Income and Expenditures will not be published here. However, anyone is welcome to study all of our financial records. If you have any questions about any aspect of Henniker Youth Services, financial or otherwise, please call our office 428 - 2380 or our homes 428 - 7241 or 428 - 7003. Thank you.

Kenneth & Christine Gilbride

REPORT OF THE SEWERAGE AND SEWAGE TREATMENT ADVISORY COMMITTEE

This sixth report of the Committee authorized by the 1969 Town Meeting covers progress from the end of January 1974 to mid-January 1975. It should be read with the prior reports for a full picture of events to date.

Following the successful outcome of the hearings in February and bond vote at Town Meeting, work on the design agreement with Keyes Associates was completed, and a construction phase agreement negotiated. Under it an application for federal grant aid was prepared and submitted through the State Water Supply and Pollution Control Commission to the Environmental Protection Agency.

Work on receiving necessary easements from individuals and the Corps of Engineers was completed.

Installation of sewerage on Rte. 114 within the limits of highway construction was carried on.

Upon favorable consideration of the grant application, required corrections in plans and specifications were made, and the project advertised for bids on Contract 1, Sewerage and Contract 2, Treatment Plant.

There has been much interest in the advertising. If favorable bids are received on January 30, 1975, progress can continue on this undertaking.

Respectfully submitted,
George Sanborn

HENNIKER PLANNING BOARD

The Henniker Planning Board holds regular meetings on the second and fourth Wednesday of each month, except July and August. Special meetings are called as necessary throughout the year. The public is always welcome to attend.

The following Subdivisions were approved in 1974:

Albin Estate on West Hopkinton Road

Stuart Michie on Davison Road

New Hampshire Fish & Game Department on the North Side of
Contoocook River

After reconsideration and in accordance with the desires to improve the river area, the subdivision making land available to the Fish & Game Department was approved. The Fish & Game Department have plans for future Salmon fishing in the area. There are several subdivision plans pending before the Board on which no final action has been taken.

The following Mobile Home locations were recommended for approval:

Walter White, Old Hillsboro Road

Arthur Hadley, Dodge Hill Road

Florence Fillion, Liberty Hill Road

Bruce Davison, Warner Road

The Board has established By-Laws which are the guidelines for our meetings. Under the guidance of the Director, each person appearing on the agenda is given equal consideration. Also, now available are large and small subdivision forms that correspond with the subdivision regulations which will aid the Subdivider and the Board at the time of the hearing.

Chairman Andy Holton has continued with his remarkable work on the Town Tax Map. Mr. Holton would appreciate hearing from anyone having any early deeds with precise descriptions and measurements on them.

Respectfully submitted,
MRS. NINA MORSE,
Secretary

Amendment to Planning Board Report

The Planning Board notes with regret the death of Robert W. Morse. His dry wit and practical wisdom will be sorely missed.

Adolphus Holton,
Chairman

ANNUAL REPORT OF THE CONSERVATION COMMISSION

After eighteen months of meetings with the Conservation Commission in conjunction with the Park Commission, School Board, and Planning Commission, Mr. Sidney Shurcliffe, Landscape Architect, submitted to the Conservation Commission on April 19, 1974, his Report on Proposed Improvements to Azalas Park and Open Space Plans. This report was supported by a \$1,350.00 grant from the Ford Foundation, supplemented by Town funds.

Among the numerous recommendations made in the report are: improving the appearance and utilization of Azalea Park along the Contoocook River bank, provide landscape improvements in the vicinity of the covered bridge, and plans for an extension of a footpath northward toward a large open space parcel of land bounded by Hall, Fairview, and Western Avenues.

The Conservation Commission is currently working on means by which some of these recommendations can be implemented over a period of time, including the possibilities of utilizing conservation and/or preservation restrictions, or discretionary easements, to preserve the open space in the center of Town for future park and recreation needs.

The Commission is also working closely with a graduate student in regional planning who is preparing an Environmental Quality Plan for Henniker's Master Plan. This Plan will cover areas such as land use and ownership patterns, the Town's soils and geology, water resources, natural and scenic areas, wildlife resources, historic sites and recreation resources. A very important component of this Plan that will involve the input of as many Townspeople as possible is the section on growth policy — the Town's goals and objectives for growth and development. The Commission is looking forward towards a very busy and progressive year in the formation of these goals and development of this important Environmental Quality Plan, expected to be completed in December, 1975.

Merle Patenaude

HENNIKER COMMUNITY CENTER

During the past year the Henniker Community Center continued to provide financial support and leadership for several recreational activities of the Town.

As part of the summer swimming program, coordinated by Ms. Carol Hamilton, lessons for beginners to instruction for senior life saving was provided. Enrollment in these programs were as follows: Beginners - 50, Advanced Beginners - 6, Intermediate - 11, Swimmer - 4, Junior and Senior Life Saving - 10. There was a life guard on duty daily from July 1 through Labor Day. The development of a system to curtail the influx of out of town bathers on weekends i.e., car stickers to identify Henniker Residents, would be helpful to the Lifeguard on weekend duty.

From November through March the Henniker Community Center basketball team, directed by Mr. Joe Clement, continued its program for boys from third through eighth grade. Almost 50 youth (including cheerleaders) participated in a 14 game schedule. Including games against Penacook, Hopkinton, Concord, and Chichester. The oldest team made finals and came in third place.

The Pee wee League this past summer provided a baseball program for 50 boys ages 8 through 12 who made up a four team community league. A total of 8 intramural games were played from the end of April to the beginning of July. Both the Henniker Community Center Field and the Henniker High School Field were utilized. In August all members of the league were treated to a Red Sox game at Fenway Park.

Respectfully submitted,

KENNETH GILBRIDE
MICHAEL GREENBLATT

CIVIL DEFENSE REPORT

The Director of Civil Defense has reviewed materials prices in view to purchasing heavy duty wire to connect the emergency generator from the Firehouse to the Library and the School. If connected, these buildings would serve as emergency shelter in case of any type of disaster. With the use of this generator the buildings could be heated, lighted and food could be served, providing a suitable shelter for many people during an extreme emergency.

POLICE DEPARTMENT

During the year 1974 your Police Department received 3,847 requests for "Police Services". This figure reflects a substantial increase over the previous year.

Many areas of concern have remained stable over the year with the of an alarming increase of criminal activity. The Department investigated a total of fifteen (15) burglaries and seventy-one (71) reported thefts. In an attempt to discourage any further increase we have extended our hours of patrol and have acquired some necessary communications equipment which can be utilized for surveillance purposes. The goals of reducing burglaries in private residences can only be accomplished through the efforts of an alert Police Department using modern methods of selective cruiser patrols in areas of burglaries and where residents are known to be away from their homes for extended periods. We ask your assistance in protecting your homes and personal property by keeping your property secured, well lighted and by informing us when you intend to leave your home unoccupied for an extended time.

Motor Vehicle accidents remained about the same (81 in 1973; 83 in 1974) despite the increase of vehicles using our roads. We were, again, fortunate not to register any fatal accidents. The opening of the new by-pass has had a very definite effect upon the pattern and volume of traffic passing through the Square. As a result of these changes a study is being conducted to insure the safe movement of both vehicular and pedestrian traffic through our community.

The Police Department extends its thanks to the various Town Departments and organizations for their assistance and to the residents of Henniker for your continued support.

Respectfully submitted,
THOMAS W. HASSLER
Chief of Police

ANNUAL REPORT OF THE HENNIKER RESCUE SQUAD

The Henniker Rescue Squad reflects on 1974 as a year which saw the implementation of several stages of planning; both locally, district and state wide.

Locally, we realized the implementation of a new ambulance which meets and exceeds all national criteria for ambulance design. We are virtually in completion stages of implementing the tone activated dispatching system which coordinates all areas emergency services. The quarters for our organization are reaching the final stages of landscaping and interior work, thanks largely to the spirit of individuals and businesses such as Windsor Construction, V. N. Houghton and Sons, Herve Aucoin, Donat Damour, The New Hampshire National Guard, Morse Builders, Inc., and Curt Rowe.

Trained personnel, which is the backbone of any organization continues to be one of the Squad's biggest assets. With the advent of 1975, all full members of Henniker Rescue are licensed graduate Emergency Medical Technicians, the only non-paid service in the State to achieve this record.

The Central New Hampshire Emergency Medical Service District, a planning organization which involves some twenty towns around the Concord area, is making great strides toward improvement of emergency patient care in the area. Under the Chairmanship of Dave Currier, the district has secured funding for several new ambulances in the area, and is currently working with Dr. Brian Carroll, the new Chief of Emergency Services at Concord Hospital, toward continuing improvement in emergency care. The Central New Hampshire Emergency Medical Service District will soon pilot the first state approved E. M. T. refresher training course.

State-wide, the Department of Emergency Health Services has, in conjunction with the New Hampshire Hospital Association, virtually completed a radio system entitled "Project Airwaves", which links all hospitals and ambulances together via a V. H. F. radio frequency. This enables ambulance personnel the potential of communicating directly with Emergency room personnel while enroute to the hospital or at the scene of an accident.

Statistically, the Squad was dispatched 116 times during 1974. This represents a 35% increase in calls over 1973. Fifty-two calls were for medical assistance, 38 calls for traffic and motor vehicle accidents and 25 were for fire assistance standby.

The 1974 members of the Squad include: James Houghton, Jr., - Chief, Edward Aucoin - Assistant Chief, James Crane - Secretary Treasurer, Gary Mulsow - Training Officer and Members, Larry Ashford, Kim Berry, Daymon Murdough, Kenneth Stafford, Jr., Robert Morse, Jr., Steve Randall, William McKensie, Arthur Gilbert, Stevens Hilyard, David Currier and Gary Saffer.

James K. Crane, Secretary-Treasurer

Total Monies in Banks, December 31, 1974		\$ 2,481.34

CAPITOL REGION REFUSE DISPOSAL PLANNING BOARD

The deadline to end open burning of refuse in New Hampshire, July 1, 1975, is fast approaching. To this end, the Capital Region Refuse Disposal Planning Board has been investigating various options open to the member towns for the past two years.

The study has now reached a point where clear options are available, certain costs readily defined and decisions can be made.

The results of an earlier study indicated that certain economics could be realized from combining the resources of several towns which would then permit them to effectively deal with the solid waste problem.

The present study was divided into two phases, an initial phase of engineering and transportation study of a selected site or sites. The Capital Region Refuse Disposal Board in cooperation with the Central New Hampshire Regional Planning Commission finally determined the actual sites to be investigated.

Both the Regional Commission and the Capital Region Refuse Disposal Planning Board have reviewed the report and discussed the matter with the consulting engineers. Following these discussions the Concord site was chosen as the single regional site due to its location, size and amount of on-site cover, among other considerations.

The study has progressed to the point that a draft of the landfill operation has been received and has been reviewed and approved by the State agency in charge of solid waste regulations.

The basis of the landfill operation will then be the study report. Of importance to possible users of such a landfill is the question of costs — How much will it cost my town?

Since the City of Concord presently owns the site, located on Old Turnpike Road, the contributing communities would be reimbursing the City for their share of the space used.

In the most recent conversations, the City Manager has indicated a willingness to participate in an informal regional solid waste solution. It is the belief of the City Manager that were the city not included in a district arrangement at this time that all parties concerned would realize a benefit.

The City has discussed a possible time span of three years, after which the participating members may wish to reevaluate the situation and continue or discontinue the agreement. The City has also discussed a change after one year of the proposed arrangement from a per capita charge to a per tonnage fee.

In Summary, the conclusions reached by the Capital Region Refuse Disposal Planning Board are:

- The City of Concord be approached for the purposes of contractual arrangements with individual or groups of communities to provide the facility for solid waste disposal;
- the community be assessed at a per capita rate not to exceed \$2.16 per capita for such services;
- a per tonnage charge be instituted as soon as adequate historic records can be established;
- an advisory board may be created to assist the member communities as necessary

The present concensus would appear to be that each individual community, through its Selectmen, negotiate a means to getting refuse from its town to the landfill. The reasoning behind this appears to be that each and every community would be free to choose its own method be it contract with a private hauler, contract with another town, rental or lease of equipment singularly or in a joint venture with another town(s) or use of town equipment to take the refuse to the City landfill operation. (Private automobiles will not be permitted on the landfill site.)

The Refuse Disposal Committee has recently been designated Town Dump Committee. The Town Dump has been approved for use as a sanitary landfill by Tom Sweeney, Health Officer for the State Water Supply and Pollution Control Commission on the basis of drill holes and test pits recently made. Submission of a satisfactory plan of operation may result in final approval.

The Friends of the Tucker Free Library have been helpful to us this year. They sponsored a tupperware party in April to help finance summer projects. Carol Rosenbleeth was in charge of a most successful children's story hour which was held for 6 weeks concluding with a party and movies. Children's potpourri was a new offering this year for older children. Amy Reinfeld, student at N. E. C., directed this program which included crafts, reading, creative dancing and music, and outside activities. Their program ended with a puppet show which they made the papier-mache puppets, staging and scenery and the script. The Friends invited all the children of Henniker to see the traveling puppet show "Little Red Wagon" on August 5th. The annual book, bake and newly added plant sale was held in October. This helps the organization financially and brings a lot of people into the library.

Respectfully submitted,
CAROLYN PATENAUE , *Librarian*
HELENE DERMON, *Assistant*

REPORT OF TUCKER FREE LIBRARY

Our new librarians, Carolyn Patenaude and Helene Dermon, continue the tradition set by their predecessors by keeping the library a warm, open, friendly place to which every resident of Henniker is welcomed. This year, in addition to an increased selection of books, magazines and records, there are jigsaw puzzles in the reading room for adults and in the Hollis room for children, as well as a newly-started pattern exchange. The new library schedule, which will include the hours of 7 to 9 Wednesday evenings, is planned to include group craft courses for those who are interested.

The librarians, and the Trustees, are grateful for the many gifts and memorials given to the library this year, and will appreciate your comments about new books you would like us to buy and other ways in which we can serve you better. Carolyn and Helene take courses in library science regularly and are making a special effort to extend library services to more people.

Work in the Archives Room continues steadily, with Willa Brigham and her faithful crew spending hours each week cataloguing and filing records, papers and pictures of historical importance to the Town. We ask you to remember that any material of this sort that you would like to donate will be given proper care in this room. Your gifts will benefit those currently interested in the history of Henniker as well as generations to come.

Additions to the physical plant of the library this year include the installation of storm windows, which will reduce our heating bill, a project in the process of completion to make the building secure against theft, and a landscaping plan for the grounds. An official of the New Hampshire Extension Service visited the library and provided a plan for rejuvenating the lawn and planting suitable shrubs and flowers, which was begun this fall. Funds for the project include memorial gifts made in the names of Mrs. Hannah Chase and Mrs. Madeline Givens.

Respectfully submitted,
THE TRUSTEES

ZONING BOARD OF ADJUSTMENT

Upon approval of the Town of Henniker Zoning Ordinance at Town Meeting on March 6, 1973, the Selectmen appointed a Board of Adjustment to hear all appeals for variance and requests for exception to the terms of the Zoning Ordinance.

This group of people were very active the first year, but have been called only one time this year for a variance case to the Zoning Ordinance. The case concerned were a group of builders who wished to expand a commercial building in a residential zone. A hearing was held in May, 1974, and after an executive session, it was approved with special conditions.

Respectfully submitted,
RICHARD P. MITCHENER, JR.
Chairman

AUDITOR'S REPORT

We, the undersigned Auditors of the Town of Henniker, hereby certify that we have examined the books and accounts of the Selectmen, Town Clerk, Town Treasurer, Collector of Taxes, Agent for Memorial Day Appropriation, District Court, Treasurer of Tucker Free Library, Board of Trustees of Trust Funds including Securities as tabulated in the report, and deposits in Savings Banks and National Banks, Collector of Water Rents, Clerk and Treasurer of Water Commissioners, and Community Center and find the same correctly cast and properly vouched.

Henniker School District

SCHOOL WARRANT

To the inhabitants of the School District in the Town of Henniker qualified to vote in district affairs:

You are hereby notified to meet at the Cogswell School Auditorium on the eleventh day of March 1975 at 7:00 o'clock in the evening to act upon the following subjects:

1. To hear the reports of agents, auditors, committees and officers chosen and to take any action relating thereto.

2. To choose agents and committees in relation to any subject embraced in this warrant.

3. To see if the district will vote to authorize the school board to make application for, and accept on behalf of the district, any and all grants or other funds, for educational purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire for the school year 1975 - 76.

4. To see if the district will vote to raise and appropriate the sum of \$13,563.75 (salary \$12,500, FICA \$731.25, Retirement \$332.50) to employ an assistant principal for the Henniker School District K - 12 for the 1975-76 school year.

5. To see if the district will vote to raise and appropriate the sum of \$10,308.45 (salary \$9,500, FICA \$555.75, Retirement \$252.70) to employ a guidance counselor for the Henniker School District K - 12 for the 1975-76 school year.

6. To see if the district will vote to raise and appropriate the sum of two thousand dollars (\$2,000.00) as a contingency fund or to take any other action relative thereto.

7. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the payment of salaries of school district officials, and agents and for the payment of statutory obligations of the district.

8. To transact any other business that may legally come before said meeting.

Given under our hands this 18th day of February, 1975, at said Henniker.

OVERVIEW

The Evaluation Committee has been meeting since September when The Henniker School Board authorized the conducting of an evaluation of the Henniker Elementary School ungraded reading and mathematics program. The committee has held five meetings to consider information that has been gathered, to discuss pertinent questions, and to develop this report. Members of the committee have made a total of nine formal visits to the school to talk to staff and to observe the program.

The committee has surveyed parent and student attitudes, and has received completed surveys from past and present teachers and teacher aids. Specific questionnaires were also mailed to parents who have withdrawn their children from the Henniker Elementary School since the inception of the program. Also questionnaires were sent to parents whose children have entered the school since the start of the ungraded program.

In addition, the committee has individually heard the viewpoints of various parents and reviewed the written statements of complaints that were initially presented to the School Board. Written evaluation reports were also received from the Principal, the Learning Disabilities Teacher and the two Team Leaders.

The N. H. State Department of Education consultants for language arts, for mathematics and for testing have visited the program and submitted evaluations of the program to the committee. In addition, Mrs. Nancy Richard, readiness consultant observed the program and

presented the committee her findings.

A student activities profile was administered in each of the classrooms by the Assistant Superintendent in order to determine the types of activities in which students were engaged. Attendance records and permanent records were also evaluated. Reports on staff estimates of student achievement versus their abilities, on student progress thru the levels and on the age-levels placement of students were subjected to committee review.

In addition, the committee reviewed the following: 1971 School Board Study Committee Report, 1974 Administrative response to parent complaints, school philosophy, ungraded handbook, state evaluation of learning disabilities program (1974), supervision handbook, staff development master plan, CAPE Report on Language Arts, Revised Math Syllabus, 1974-75 School Census Report, and other written materials.

Based on its study, the Committee believes that the following general conclusion can be drawn about the Henniker Elementary School Ungraded Reading and Mathematics program:

The Program is generally successful, and all groups involved in the evaluation (Parents, Students, Teachers, Aides, Administrators and Consultants) are favorably impressed with the program and recommend that it be continued.

The Committee strongly endorses the continuation of the ungraded programs in Reading and Mathematics.

The Committee further urges the Henniker School Board to circulate this document to all members of the school community so that they may become aware of the current successes of the program and projected areas where additional attention is needed. The Committee believes that the School Board should expect the staff and administration to study and to react to this report and that at a specified future date, the Board should consider plans for the further development of the program. The Committee believes that such a plan should be subject to Board approval prior to the close of this school year. The Committee has submitted a significant number of recommendations. Obviously, all cannot be under taken immediately. The Committee suggests that these recommendations be considered as the framework for a five - six year plan for the further development of the ungraded program.

The Committee is indebted to the parents, staff, students and administration of the Henniker Elementary School for their

cooperation during this study. We are specifically grateful to our secretaries, Mrs. Virginia Carter, Mrs. Fran Gallo, and Mrs. Mary Francoeur and to consultants, Mr. Fernald Prevost, Mr. James Carr, Mrs. Joanne Baker and Mrs. Nancy Richard for their contributions. The assistance of Mr. Lyman Gilmore, Mr. Larry Piper and Mr. Gary Troupe, of New England College, and their students who conducted student interviews, is appreciated.

Respectfully submitted,

Mrs. Lorraine Aucoin
Mr. Richard Ebert
Mrs. Mildred French
Mrs. Hazel Gilbert
Mrs. Helen Morrison
Mrs. Evelyn Woollett
Mr. Thomas Watman, Chairman

December 3, 1974

PRINCIPAL'S REPORT

For the 1974-75 school year five major undertakings in the Henniker School System seem worthy of note.

First, the Henniker Ungraded Program continues with the inclusion this year of the fifth grade. This leaves only grade six remaining outside the program. Thus at the start of the 1975-76 school year the Ungraded Program will be complete in Reading and Math.

During the first part of this school year the Ungraded Program, at the request of the School Board, underwent an extensive evaluation. The Assistant Superintendent of Schools, Mr. Watman, chaired a committee with Mrs. Lorraine Aucoin, Mr. Richard Ebert, Mrs. Mildred French, Mrs. Hazel Gilbert, Mrs. Helen Morrison, and Mrs. Evelyn Woollett. The committee worked diligently during a three month period examining the program. In addition to this committee, consultants from the State Department of Education and other consultants were used. The evaluation culminated in a formal report listing the committee's findings and recommendations. Copies of this report are available from the Principal's Office to any interested person. The Henniker School System, its students and their parents are indebted to this committee for their unselfish and valuable contribution.

Second, formal Health courses have been instituted for students in the Junior and Senior High School. These courses are required for all Junior High students. On the High School level, a half year, half-credit course is required for all tenth graders.

The third and fourth undertakings this year involve English on the tenth grade level and English and Social Studies in the eleventh grade. Replacing a full year tenth grade English course that forced a student with the same teacher for the full year are two independent semester courses. On the eleventh grade level a modified humanities approach has been developed by combining eleventh grade English and United States History.

Fifth, the most ambitious undertaking involved the restructuring of the Junior High schedule. Primarily through the initiative and energy of Mr. John Blair, Junior High English and Social Studies teacher, and the help of the other Junior High teachers. The Junior High structure changed from the traditional full year courses to a series of six week courses. Besides Mr. Blair and the other Junior High teachers, the school system owes thanks to certain faculty members at New England College, certain parents and other local citizens who have volunteered their time to teach courses in this program. Because our staff is limited in number, the program would not be possible without these valuable resource people.

The above is sketchy because practicality prohibits explaining all in detail. However, the school welcomes any inquiries by anyone interested in more detail concerning these topics.

Finally, positive, constructive improvements mean time, energy and people. I would like to appeal to anyone who has interest in the Henniker School System, who enjoys helping young people and who has some free time to become involved in the education of Henniker Youth, please call me at the High School. We welcome your contribution.

Respectfully submitted,

ROBERT J. SCULLY,
Principal

REPORT OF THE SUPERINTENDENT OF SCHOOLS

The burden of funding education weighs heavily upon local districts while concurrently the task of providing satisfactory educational programs with suitable alternatives is likewise the responsibility of the district. After a decade of participation from the State and Federal governments we have failed to see the emergence of proposed funding but we have seen categorical funding to remove inequities and strong advocacy for accountability.

Timeliness in education is important in preparing our children for the competition of today's world but the importance of individual skill development has never decreased in importance. Although approaches to the teaching-learning process have varied to a far more personal approach, the emphasis is on basics in a functional setting with a sense of belonging and involvement.

As a rural district we invite and have the involvement of the community in many facets of our public schools. The credibility gap has lessened and confidence in the public school system has increased in most public sectors. Although we still have a few failures, percentages have greatly reduced with diagnostic development, remedial and developmental assistance, and motivation based on achieved competence, career awareness, and viable educational alternatives.

Fortunately, the public school program is destined to change to meet fulfillment of the demands of society in educational, business, and conversely depression factors have attacked our daily routines at work and at home and similarly they have attacked our institutional services. Your indulgence is necessary through these trying times to provide the necessary instruction vehicle so that an undiminished educational program may continue for our children.

The professional staff and school boards have worked diligently to provide a maintenance budgetary appropriation with change only where mandated for subsistence. We respect your affirmation of excellence in education and support for continuance of instructional improvement for our youth.

Respectfully submitted,

NEIL E. CROSS,
Superintendent of Schools
